Super Ster Adventures INSTRUCTION BOOKLE

PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, such as while
 watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult
 a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions
Altered vision

Eye or muscle twitching Involuntary movements Loss of awareness Disorientation

To reduce the likelihood of a seizure when playing video games:

- 1. Sit or stand as far from the screen as possible.
- 2. Play video games on the smallest available television screen.
- 3. Do not play if you are tired or need sleep.
- 4. Play in a well-lit room.
- 5. Take a 10 to 15 minute break every hour.

WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt after a few hours. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. It is recommended that parents monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms or eyes become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms or eyes during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the
 correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

The official seal is your assurance that this product is licensed or manufactured by Nintendo. Always look for this seal when buying video game systems, accessories, games and related products.

Nintendo does not license the sale or use of products

without the Official Nintendo Seal.

STORY

LETS GO! iVÁMONOS!

Dora's off on a new adventure!

Dora is racing to rescue a lot of her friends in this adventure! Will you help?

Dora needs your help, and the help of all her friends, especially the Explorer Stars. The Explorer Stars have special powers so they can help Dora in any adventure—but only if you catch them! Will you be a star catcher with Dora? Come on! iVámonos!

STARTING A GAME

From the main menu, press START to see six Explorer Stars representing the different adventures for you and Dora. Use the +Control Pad to move the arrow to the adventure you want, and then press the A Button to play that adventure. Now, let's go see how to play the game!

Super Star Adventures doesn't use passwords or a

save function. You just choose one of six adventures with Dora! And who do we ask for help when we want to know which way to go? That's right, Map! Once you've picked an adventure, Map will show you which way to go. iExcelente!

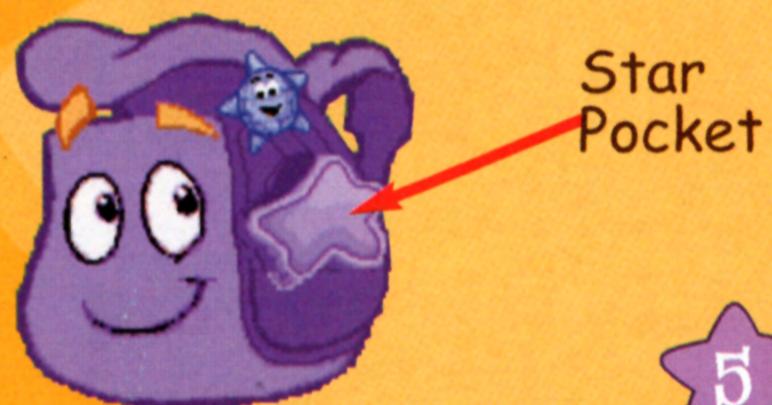

During gameplay, press START to access the Pause Menu. Once you have entered the Pause Menu, press START again to return to the adventure.

THE STAR POCKET

From the main menu, you can highlight Dora's Star Pocket and press the A Button to see what's inside. All of the Explorer Stars that you have found on your adventure are kept here. Highlight a star with the arrow and press the A Button to see what it can do. Once you're done, you can highlight the return arrow and press the A Button to return to the main menu. Once you turn off your Game Boy® Advance system, the stars will be released and you can help Dora catch them again!

+ Control Pad - Move the + Control Pad in the direction you want Dora or the arrow to go.

START – On the Title Menu, press START to begin the game. In other menus, this will confirm your selection. During gameplay, press START to pause the game.

SELECT - This button isn't needed for this adventure.

A Button – Press the A Button to make Dora perform an action based on where she is. In Menus, this will confirm your choice.

B Button - Press the B Button to make Dora perform an action based on where she is. In Menus, this will confirm your choice.

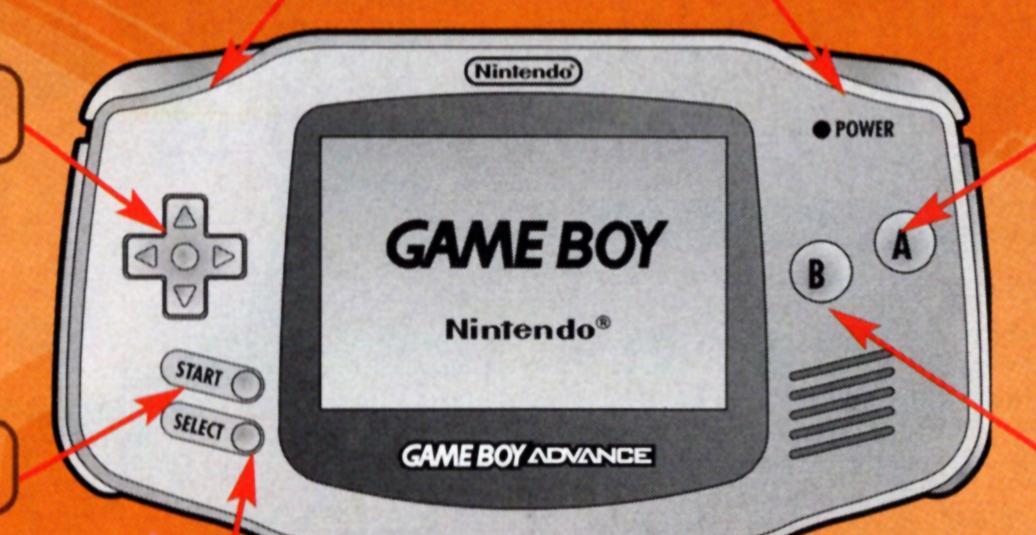

L Button/R Button – These buttons aren't needed for this adventure.

Select Button

DORA is a born explorer — an adventurous bilingual Latina heroine. Determined, positive, helpful, and caring, Dora is always ready for an adventure. She explores her world with her friends, Map, Backpack and her best friend Boots.

EXPLORER STARS

The Explorer Stars can help Dora fix problems, solve puzzles, get places, and help friends in need. Each one has a special power. Here are some of the Explorer Stars Dora will encounter on her adventure with you!

DISCO STAR

Lights up any party with singing and dancing!

TOOL STAR

Uses his tools to fix everything.

SALTADOR

A super-jumping star that can help Dora jump really high!

HERO STAR

He is the strongest of the Explorer Stars.

GUSTY STAR

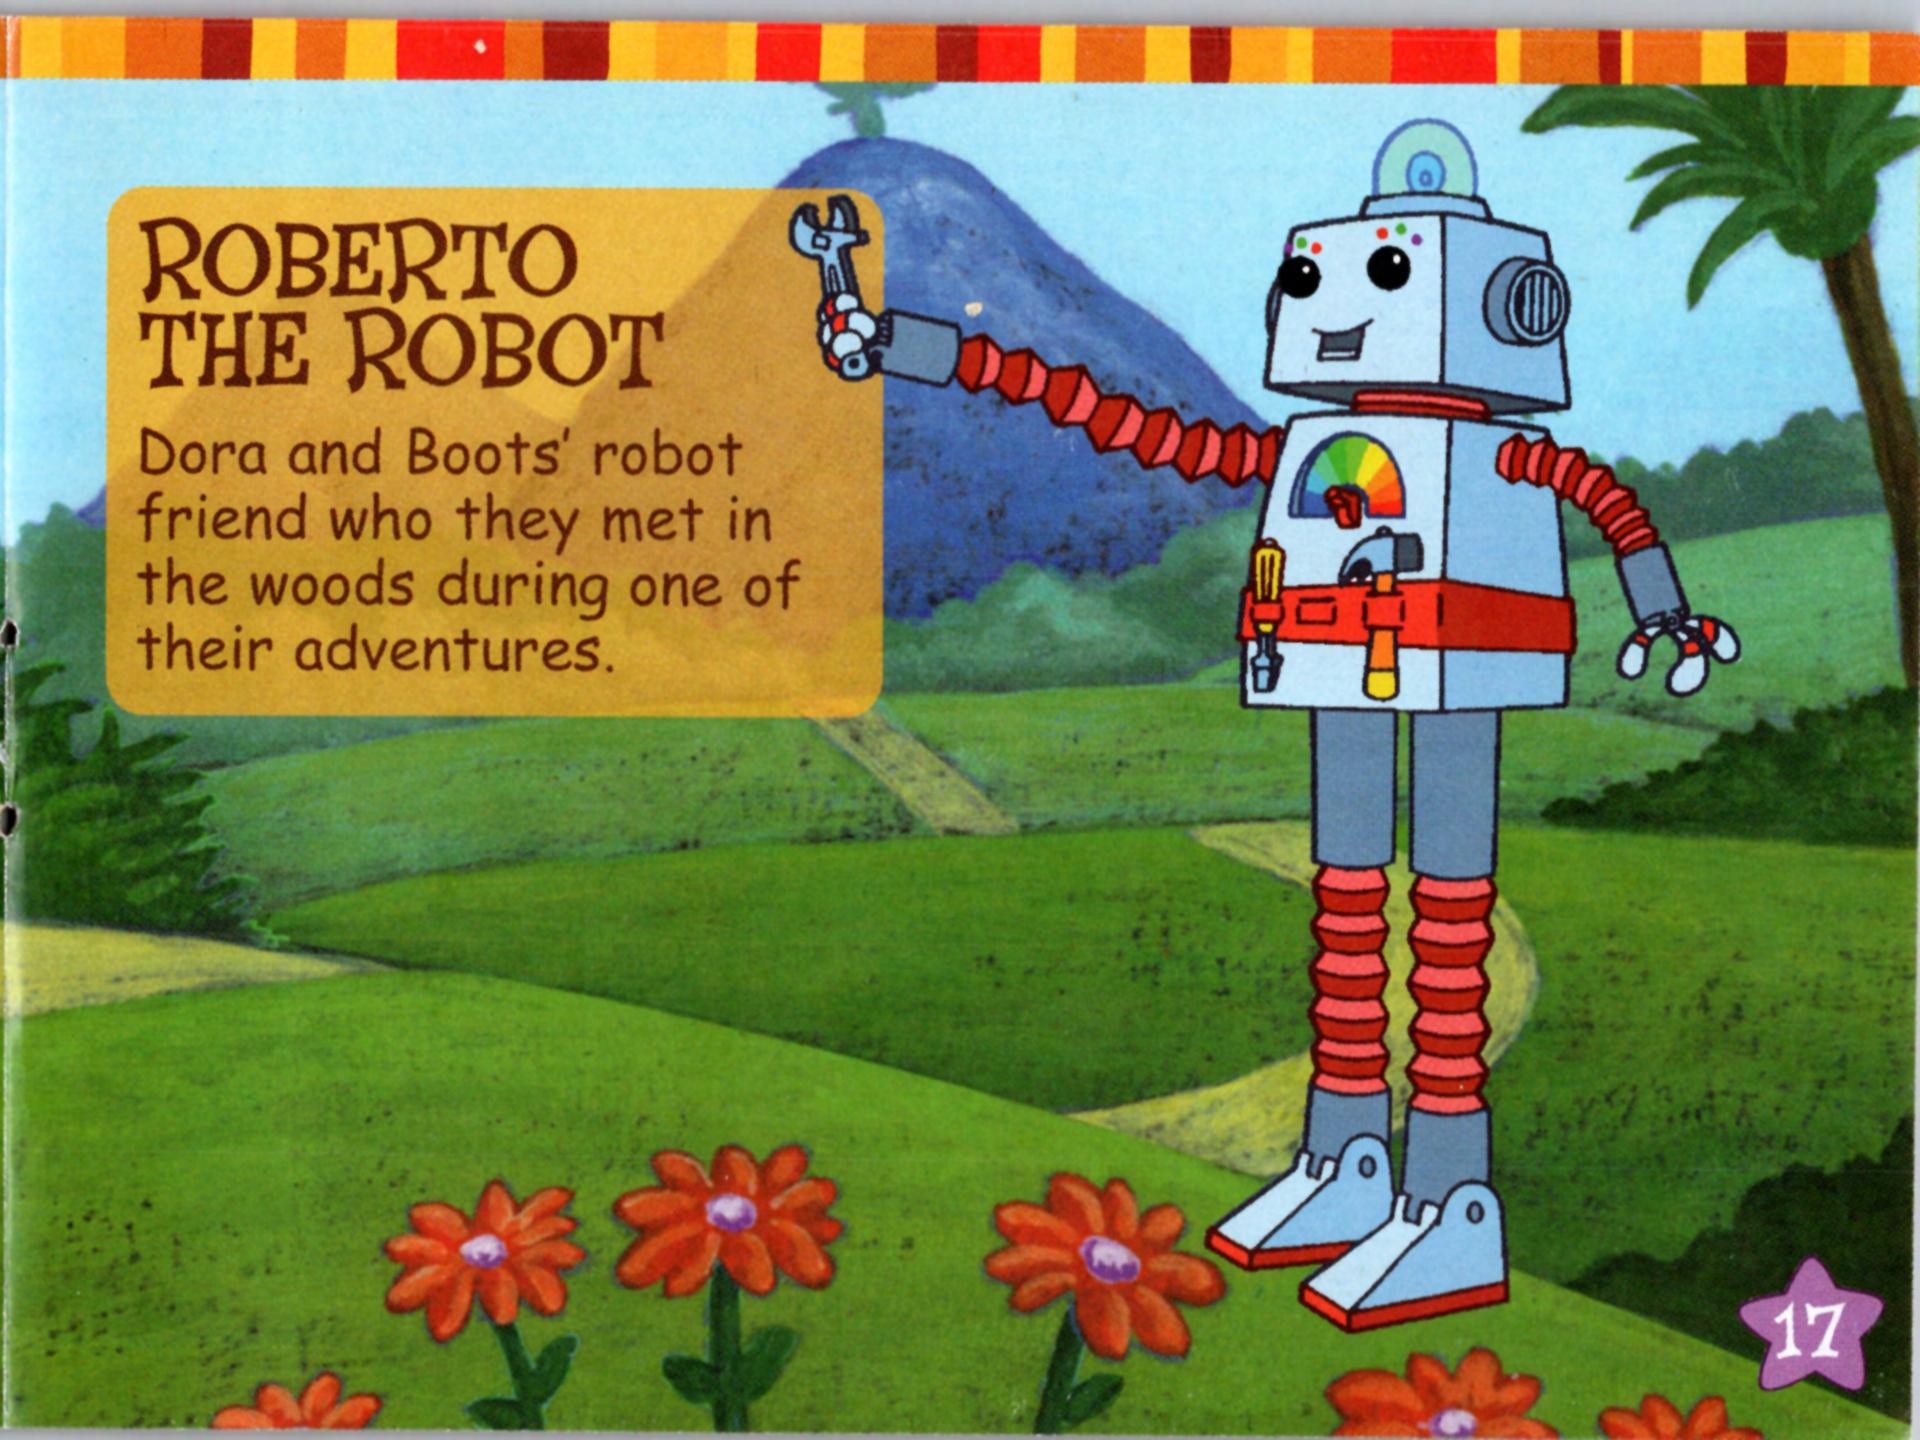

He can blow a powerful wind and even blow obstacles out of your way.

ADVENTURES Rescue Artista

The Cloud Prince has taken Artista Star and has her high up in Cloud Castle. Dora's going to need the help of Rocket Star and Pointer Star to rescue Artista Star.

Dora needs to get to Cloud Castle. How will she get there? Rocket Star can help make Tico's Rocket-Car fly faster! First you'll need to find Rocket Star, and some other stars too! Place the arrow where you think a star is hiding by using the +Control Pad. Then, press the A Button to see if one is there.

Help Dora catch more stars as she chases after the Cloud Prince! Use the +Control Pad to fly Tico's Rocket-Car through the sky and catch all the stars. Catch 50 stars to win! iMuy bien! When you need another boost from Rocket Star, press the A Button. Once you have caught all the stars, Pointer Star will show up to help you find your way through the Cloud Prince's maze. Reach up and catch Pointer Star using the A Button.

The Cloud Prince has hidden Artista in the Cloud Castle Maze! Use the *Control Pad to move Dora and Boots through the maze and press the A Button to jump. If you don't know which way to go, stand on the arrows and Pointer Star will show you the way to go. Find Artista! We know you can do it!

Rebuild Roberto

Help Dora and Boots find all of Roberto the Robot's parts and put him back together!

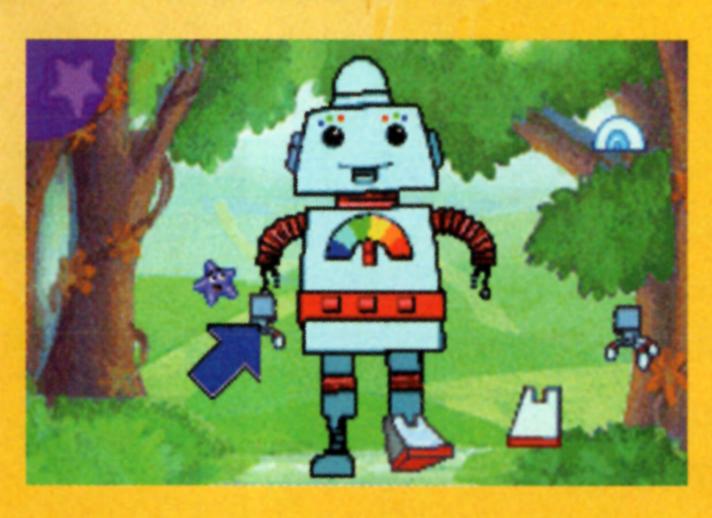

Pointer Star is going to help you find Roberto's parts, but you'll have to catch him first. Find some of Pointer Star's friends, and then you can find Pointer Star. Place the arrow where you think a star is hiding by using the +Control Pad Then press the A Button to see if one is there.

Roberto's parts are scattered throughout a maze and Dora needs your help to find them. Use the +Control Pad to move Dora through the maze and jump by pressing the A Button. If you don't know which way to go, stand on the arrows and Pointer Star will show you the way to go. Once you've found your way through the maze, Tool Star will show up to help you put Roberto back together. Reach up and catch Tool Star with the A Button.

Now that you have found all of Roberto's parts and Tool Star is here to help, it's time to put Roberto back together! Use the +Control Pad to place the arrow over the part you want Tool Star to fix and press the A Button. Drag the part to the location on Roberto where it belongs and press the A Button to have Tool Star re-attach it.

Benny's Xylophone Fiesta

Benny is throwing a fiesta but there's no music! Dora has an idea: let's bring Disco Star to help play the xylophone and make music at the fiesta!

The fastest way to Benny's fiesta is by boat. There are whales and snakes along the river, so Dora needs to find Noisy Star so she can wake them up. Find some of Noisy's friends first, and then find Noisy Star. Place the arrow where you think a star is hiding by using the +Control Pad. Then press the A Button to see if one is there.

Help Dora guide her boat down the river with the +Control Pad. Watch out for rocks and logs. If you come across any sleeping snakes or whales, select Noisy Star with the A Button to make some noise to wake them up. Once you've reached the end of the ride, Disco Star will show up to help you liven up the party. Reach up and catch Disco Star with the A Button.

Dora's arrived at the party and now it's time for some music! Follow along on the xylophone with Disco Star. But first you'll have to help Dora put the Xylophone together. Select the pieces with the +Control Pad, put them in the right place, and then press the A Button to set them there. Now Disco Star will play a tune for

you to follow along to. Highlight the key that Disco Star wants you to play by pressing left or right on the +Control Pad. Hit the key by pressing the A Button.

The Lost Cave

A bunch of Dora's friends have lost their favorite things! Dora is going to need to search the Lost Cave to find the lost items. Help Dora find the items and return them to their owners.

Dora needs Glowy Star to light the way in the Lost Cave, but Dora has to catch her first. First find some of Glowy's friends, and then find Glowy Star. Place the arrow where you think a star is hiding by using the +Control Pad. Then press the A Button to see if one is there.

Now that you've found Glowy, search the Lost Cave. Use the +Control Pad to move Dora through the cave. Press Up or Down on the +Control Pad to operate an elevator. Look for some fresh dirt to dig in, then press the A Button to use the shovel and dig up the dirt. Once you've found all the lost items, Hero Star will show up to help you return the items. Reach up and catch Hero Star with the A Button.

Now that Dora and Boots have found all the lost treasure, they need to help return each treasure to its rightful owner. Move the arrow over the items with the Control Pad. Choose the item by pressing the A Button and then use the Control Pad to choose the owner. Press the A Button again to ask Hero Star to give it to them. If that item

does not belong to that person, Hero Star will return it to the table.

Rise and Shine

The Sun didn't wake up this morning and it's dark everywhere! Many of Dora's friends are still asleep in their pajamas. Find Noisy Star and go wake up the Sun!

Dora needs to go find Noisy Star so she can help wake up the sun. First find some of Noisy's friends, and then find Noisy Star. Place the arrow where you think a star is hiding using the +Control Pad. Then, press the A Button to see if one is there.

With Noisy Star along for the ride, you've got to make it up to the top of the hill. Use the +Control Pad to move Dora and press the A Button to jump over any obstacles in your way. If you come across a sleeping animal, ask Noisy Star to wake them up with a toot by pressing the A Button. Once you've reached the top of the hill, Gusty Star

will show up to help you get to the Sun. Reach up and catch Gusty Star with the A Button.

Now that you've reached the top of the hill, you can jump across the clouds to get Noisy Star close enough to wake up the Sun. Control Dora with the +Control Pad and make her jump with the A Button. When Gusty shows up, press the A Button to have him blow the cloud in the direction you want to go. When you reach the Sun, press the A Button to get

Noisy Star out of the Star Pocket then press the A Button rapidly to make Noisy blow her trumpets. iFantástico!

Azul El Tren

Azul's tracks are broken and he can't get to the train station! Help Dora get across the lake to help Azul.

Dora needs to go find Saltador, the super jumping star, to make it across the lake. Find some of Saltador's friends first, and then find Saltador himself. Place the arrow where you think a star is hiding using the +Control Pad. Then, press the A Button to see if one is there.

To get safely across the lake, Dora will need to jump from log to log. Use the +Control Pad to move Dora and Saltador will give her a boost! Once you've reached the other side, Switchy Star will show up to help you fix Azul's train tracks. Reach up and catch Switchy Star with the A Button.

Now that you've reached Azul, it's time to get going. But sections of the track are missing! Switchy Star can help by changing into shapes to fill the gaps in the track. Watch the pattern and choose the shape you would like Switchy Star to change into using the +Control Pad and press the A Button to fit him on the track. iExcelente!
